Beautiful stitching

AREAS OF APPLICATION

The two traditional Amann Group Mettler cotton embroidery threads turn fine as well as abundant embroidery designs into individual masterpieces. Both are easy to work with – on batiste, tulle, cotton, linen, terry cloth and much more. Made from 100% long staple Egyptian cotton, they are extremely eye-catching with their brilliance and soft, smooth, silk-like feel. The special dyeing technology guarantees exceptional color fastness for years.

PRODUCT FEATURES

- Mercerization
  Due to the mercerization process the embroidery thread reaches a high breaking resistance, has reduced shrinkage and is ironing resistant.

- Highest color fastness
  Due to the special dyeing technology, an exceptional color fastness is guaranteed.

- Areas of application
  Ideal for machine embroidery and machine darning. For fine embroideries and monograms. Can also be used as bobbin thread.

- Suitability
  For a perfect work on fabrics such as batiste, tulle, cotton, linen, terry cloth, etc.
